

VACANCY ANNOUNCEMENT

DESA PLANTS PLC is a foreign investment company in the horticulture sector located in Ejersa, 9km from Modjo. Our main activities are production and export of high quality seedlings to the European and USA market. Our company is growing fast and expanding its markets hence we are recruiting additional staff members and open vacancies in the position of:

PRODUCTION MANAGER

REPORTING TO:

General Manager and Management Team

Duties and responsibilities

We look for a highly qualified and experienced Production Manager who will plan and direct all production activities within the production department. The Production Manager will have the following duties and responsibilities through own input and by coordinating his supporting staff:

- Make yearly and seasonal production planning
- Check and confirm availability of cuttings
- Make general crop planning
- Ensure that the planned targets are achieved
- Ensure that the crops are grown in accordance to their requirement in order to give maximum production
- Assist in the design of appropriate spraying programs and ensure that these are carried out correctly
- Ensure the correct operation and maintenance of different crops is executed timely
- Ensure all irrigation systems and other equipment are working properly
- Make sure crops are harvested on time and stored and treated appropriately
- Supervise, control, assess and train workers
- Set targets for efficiency of workers and achieve targets in all areas
- Follow up and ensure recording of all the necessary data
- Organize & report daily, weekly & monthly meetings of supervisors, agronomists and other workers
